

CURRICULUM VITAE

MARK D. STOLOROW

POSITION:

Executive Director

OFFICE:

Orchid Cellmark
20271 Goldenrod Lane
Germantown, Maryland 20876
Telephone (301) 428-4980 or (800) 872-5227

PERSONAL DATA:

Date of Birth: April 28, 1946
Nationality: U.S.A.
Marital Status: Married
Two Children

CURRENT DUTIES:

Organizes, directs and controls operations of the forensic strategic business unit of Orchid Cellmark, guides technical and administrative activities to assure achievement of established performance objectives; plans and coordinates long-range corporate policy and goals in compliance with regulatory guidelines and ethical and legal standards of operation.

EDUCATION:

Eastern Michigan University Ypsilanti, Michigan	M.B.A.	1974	Management
University of Pittsburgh Pittsburgh, Pennsylvania	M.S.	1971	Forensic Chemistry
University of Michigan Ann Arbor, Michigan	B.S.	1969	English, Chemistry

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 2

PROFESSIONAL EXPERIENCE:

Cellmark Diagnostics Germantown, Maryland	General Manager	Since 1998
Cellmark Diagnostics Germantown, Maryland	Director of Operations	1993-1998
Cellmark Diagnostics Germantown, Maryland	Manager, Forensic Services	1989-1993
Illinois State Police Bureau of Forensic Sciences Joliet, Illinois	Program Administrator R & D Program	1986-1989
Illinois State Police Bureau of Forensic Sciences Training & Applications Laboratory Joliet, Illinois	Serology Coordinator	1979-1986
Michigan Department of State Police Forensic Science Laboratory Northville, Michigan	Forensic Serologist	1971-1979
Michigan Department of State Police Forensic Science Laboratory Northville, Michigan	Project Director: Blood Marker Population Study	1977-1978
University of California White Mountain Research Station Berkeley, California	Research Associate: Bloodstain Analysis Project	1977
Metropolitan Police (New Scotland Yard) Forensic Science Laboratory London, England	Sabbatical in Forensic Serology	1975
City of Pittsburgh and Allegheny County Crime Laboratory Pittsburgh, Pennsylvania	Academic Internship	1971
City of Ann Arbor Police Department Ann Arbor, Michigan	Patrolman and Community Relations Officer	1968-1970

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 3

ADDITIONAL TRAINING - TECHNICAL:

2nd Joint Conference on DNA Databanks and Repositories
American Registry of Pathology
Armed Forces Institute of Pathology
Federal Bureau of Investigation
Chicago, Illinois, 1998

Workshop, Advanced DNA Technologies: Automation and Application
American Academy of Forensic Sciences 49th Annual Meeting
New York, New York, 1997

2nd Annual National Conference on the Future of DNA: Implications for the Criminal Justice System
National Institute of Justice, United States Department of Justice
California Department of Justice, Bureau of Forensic Services
Sacramento County Laboratory of Forensic Services
Sacramento, California, 1997

Joint Conference on DNA Databanks and Repositories and 3rd Annual CODIS Users Group Meeting
American Registry of Pathology
Armed Forces Institute of Pathology
Federal Bureau of Investigation
National Institute of Justice
Tallahassee, Florida, 1996

Workshop, Advanced DNA Technologies
American Academy of Forensic Sciences 48th Annual Meeting
Nashville, Tennessee, 1996

Workshop, Implementation and Consequences of New DNA Technologies: The Sequel
American Academy of Forensic Sciences 47th Annual Meeting
Seattle, Washington, 1995

5th International Symposium on Human Identification
Promega Corporation
Scottsdale, Arizona, 1994

DNA Databanks and Repositories
Armed Forces Institute of Pathology
American Registry of Pathology
St. Paul, Minnesota, 1994

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 4

2nd International Conference on DNA Fingerprinting Congress
Belo Horizonte, Brazil, 1994

Workshop, Advanced DNA Technologies
American Academy of Forensic Sciences 46th Annual Meeting
San Antonio, Texas, 1994

Workshop, Advanced DNA Technologies
American Academy of Forensic Sciences 45th Annual Meeting
Boston, Massachusetts, 1993

3rd International Symposium on Human Identification
Promega Corporation
Scottsdale, Arizona, 1992

Radiation Safety
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1989

Workshop, Non-Isotopic Detection of DNA for Forensic Scientists
Allo-Type Genetic Testing, Inc.
Atlanta, Georgia, 1988

Workshop, Detection of Gc and Tf by IEF and Immunoblotting
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1988

DNA Technology in Forensic Sciences
International Symposium
FBI Forensic Science Research and Training Center
Quantico, Virginia, 1988

Workshop, Immunoglobulin Allotyping
Allo-Type Genetic Testing, Inc., (Atlanta, Georgia)
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1986

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 5

Forensic Applications of Electrophoresis
International Symposium
FBI Forensic Science Research and Training Center
Quantico, Virginia, 1984

Workshop, Electrophoresis in Forensic Serology
Midwestern Association of Forensic Scientists
London, Ohio, 1984

Analysis of Sexual Assault Evidence
Joint Symposium
Dade-Metro Department of Public Safety
and Federal Bureau of Investigation
FBI Forensic Science Research and Training Center
Quantico, Virginia, 1983

Microscopy of Hair
FBI Academy Training Course
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1982

Bloodspatter Interpretation
Bloodstain Evidence Institute Training Course
Elmira College, (Corning, New York)
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1981

Workshop, Advanced Microscopy of Fibers
McCrone Associates, (Chicago, Illinois)
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1981

Microscopy of Fibers
FBI Academy Training Course
Illinois State Police
Bureau of Forensic Sciences
Springfield, Illinois, 1980

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 6

Microscopy of Hair
FBI Academy Course
FBI Forensic Science Research and Training Center
Quantico, Virginia, 1976

Workshop, Analysis of Seminal Stains
Midwestern Association of Forensic Scientists
Kansas City, Missouri, 1973

Workshop, Microscopy of Fibers and Explosives
McCrone Associates, (Chicago, Illinois)
Michigan Department of State Police
Forensic Science Laboratory
Livonia, Michigan, 1973

Workshop, G.C.-Mass Spectrometry
Finnegan Corporation
Detroit, Michigan, 1972

Electrophoresis of Bloodstains Training Course
Metropolitan Police Forensic Science Laboratory, (London, England)
University of California Extension Service
University of California
Berkeley, California, 1972

Workshop, Mass Spectrometry
E.I. DuPont de Nemours, Inc.
Highland Park, Michigan, 1972

Workshop, Forensic Microscopy
McCrone Associates, (Chicago, Illinois)
Michigan Department of State Police
Forensic Science Laboratory
Livonia, Michigan, 1972

GC-Mass Spectrometry Instrumental Analysis Research Project
U.S. Department of Interior
Bureau of Mines Laboratory
Bruceton, Pennsylvania, 1971

ADDITIONAL TRAINING - MANAGERIAL:

Strategic Planning
The Strategy, Planning & Executive Development Series
American Management Association
Washington, DC, 2000

Critical Thinking: A New Paradigm for Peak Performance
American Management Association
Washington, DC, 1999

Valuation of Intellectual Property
Licensing Lecture Series
Birch, Stewart, Kolasch & Birch, LLP
Falls Church, Virginia, 1999

Effective Communication with the
Healthcare and Biotechnology Media
Maryland Bioscience Alliance
Washington, DC, 1998

Winning Employee Commitment
American Management Association
Ellicott City, Maryland, 1997

Media Relations
American Marketing Association
Arlington, Virginia, 1997

How to Be a Better Communicator
CareerTrak, Inc.
Bethesda, Maryland, 1996

Motivating, Managing and Leading a Team
American Management Association
Ellicott City, Maryland, 1996

Commuter Training
Montgomery College
Rockville, Maryland, 1996

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 8

Communication and Team Building Seminar
Department of Communication Arts
Gallaudet University (Washington, DC)
Germantown, Maryland, 1996

Customer Service Seminar
Montgomery College
Germantown, Maryland, 1995

Budget Development and Administration
Fred Pryor Seminars
Rockville, Maryland, 1995

Management of Projects, Priorities & Deadlines
National Seminars Group
Rockhurst College Continuing Education Center
Gaithersburg, Maryland, 1995

Laboratory Safety and Health
OSHA, United States Department of Labor
Springfield, Illinois, 1985

Advanced Managerial Strategies
(Dimensional Management Training II)
Illinois Department of State Police
Springfield, Illinois, 1983

Performance Evaluation
Illinois Department of Central Management Services
Joliet, Illinois, 1981

Instructor Development Course
Illinois Department of State Police
Springfield, Illinois, 1980

Problem Solving and Decision Making
Illinois Department of Central Management Services
Springfield, Illinois, 1980

Management of Time
Illinois Department of Central Management Services
Springfield, Illinois, 1980

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 9

Effective Delegation
Illinois Department of Central Management Services
Elgin, Illinois, 1980

Interviewing and Work Performance Evaluation
Illinois Department of Central Management Services
Elgin, Illinois, 1980

Project Management - Systems Approach
Illinois Department of Central Management Services
Springfield, Illinois, 1980

Improving Effectiveness Through Communication
Illinois Department of Central Management Services
Chicago, Illinois, 1980

Interpersonal Communication
Illinois Department of Central Management Services
Springfield, Illinois, 1979

PROFESSIONAL AFFILIATIONS: (Past and Present)

American Academy of Forensic Sciences, Fellow

American Chemical Society

American Institute of Physics

Association of Official Analytical Chemists

Canadian Society of Forensic Science

Chief Executive Boards

Council of Forensic Science Educators

Forensic Science Society of Great Britain

Honor Society of Phi Kappa Phi

International Electrophoresis Society

International Society for Forensic Haemogenetics

Midwestern Association of Forensic Scientists

Phi Lambda Upsilon, National Chemistry Honorary Society

Society for Applied Spectroscopy

Southern Association of Forensic Scientists

COLLEGE COURSES TAUGHT:

Mercy College of Detroit Department of Forensic Science Detroit, Michigan	Intermediate Criminalistics	1977-1978
---	-----------------------------	-----------

Mercy College of Detroit Department of Forensic Science Detroit, Michigan	Introduction to Criminalistics	1976-1977
---	--------------------------------	-----------

Washtenaw Community College Criminal Justice Curriculum Ann Arbor, Michigan	Introduction to Criminalistics	1977
---	--------------------------------	------

Other Colleges and Universities:	Topics in Forensic Science (Guest Lecturer)	Since 1972
----------------------------------	--	------------

St. Louis University	St. Louis, Missouri
Montgomery College	Germantown, Maryland
Millersville University	Millersville, Pennsylvania
Johns Hopkins University	Baltimore, Maryland
Johns Hopkins University	Columbia, Maryland
Johns Hopkins University	Rockville, Maryland
American University Law School	Washington, D.C.
Thomas Jefferson University	Philadelphia, Pennsylvania
Marymount University	Arlington, Virginia
George Washington University Law School	Washington, D.C.
University of Baltimore	Baltimore, Maryland
Catonsville Community College	Catonsville, Maryland
Vance-Granville Community College	Henderson, North Carolina
DePaul University Law School	Chicago, Illinois
Marshall University Law School	Chicago, Illinois
Associated Colleges of the Chicago Area	Argonne, Illinois
University of Illinois	Champaign, Illinois
University of Illinois	Chicago, Illinois
University of New Haven	West Haven, Connecticut
Loyola University Law School	Chicago, Illinois
McMaster University	Hamilton, Ontario
Schoolcraft Community College	Livonia, Michigan
Jackson Community College	Jackson, Michigan
Highland Park Community College	Highland Park, Michigan
Oakland Community College	Farmington Hills, Michigan
Eastern Michigan University	Ypsilanti, Michigan

RESEARCH AND GRANT SUPPORT:

- | | |
|--|-----------|
| Project Director, Extending the Detectability of Phosphoglucomutase in Old Bloodstains and Seminal Stains, Illinois Department of State Police, Joliet, Illinois, Midwestern Assoc. of Forensic Scientists Research Grant. | 1984-1988 |
| Bureau Coordinator, Statewide Sexual Assault Victim Treatment and Evidence Collection Program, Illinois Dept. of State Police, Illinois Law Enforcement Commission (ILEC) Grant, Joliet, Illinois. | 1979-1981 |
| Project Director, Blood Genetic Marker Population Distribution of Sixteen Genetic Markers in the Greater Detroit Metropolitan Area, Michigan State Police Forensic Science Laboratory, Northville, Michigan, United States Department of Justice Grant, US DOJ/LEAA/NILECJ GRANT #J-LEAA-025-073 | 1977-1978 |
| Research Associate, Bloodstain Analysis System, Beckman Instruments, Inc./Aerospace Corporation, University of California, Berkeley, California, United States Department of Justice Grant, US DOJ/LEAA/NILECJ GRANT #J-LEAA-025-073 | 1977 |
| Research Assistant, Coal Gasification By-Product Analysis, United States Department of Interior, Bruceton, Pennsylvania, US DOI/Bureau of Mines Grant | 1971 |
| Graduate Student, University of Pittsburgh, Department of Forensic Chemistry, Pittsburgh, Pennsylvania, United States Department of Justice Grant, US DOJ/LEAA Student Grant-in-Aid #OMB/43-R-0452 | 1970-1971 |
| Graduate Student, University of Pittsburgh, Department of Forensic Chemistry, Pittsburgh, Pennsylvania, University of Pittsburgh, Forensic Chemistry Fellowship Award, Student Grant-in-Aid | 1970-1971 |

WORKSHOPS AND SEMINARS CONDUCTED OR PRESENTED:

Forensic DNA Evidence
The Edward Bennett Williams Inn of Court
Washington, DC, 2002

DNA Analysis in Criminal Defense and Issues in the Legal Debate over Admissibility
Training Seminar
State of New Jersey Offices of the Public Defender
Trenton, New Jersey, 2000

DNA Analysis in the Laboratory and in the Courtroom
Lecture Series: The Dead Do Tell Tales: Forensic Science and the Solving of Mysteries
Johns Hopkins University School of Professional Studies in Business and Education
Baltimore, Maryland, 2000

Forensic Science Expert: DNA
5th Military Justice Managers Course
The Judge Advocate General's School
United States Army
Charlottesville, Virginia, 1999

Cross-Examination of a DNA Expert Witness
Annual Conference
State of Minnesota Board of Public Defense
Brainerd, Minnesota, 1998

Forensic DNA Analysis
1997 Ohio Prosecuting Attorneys Association Annual Meeting
Columbus, Ohio, 1997

Science in the Courtroom
The American Trial: Issues for the 21st Century
The Smithsonian Associates Fall Lecture Series
The Smithsonian Institution
Washington, D.C., 1997

DNA and Daubert for Dummies
Criminal Justice Section Seminar
Indianapolis Bar Association
Indianapolis, Indiana, 1997

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 14

Forensic DNA Analysis: From Research to Courtroom
Maryland Bioscience Alliance Forum
High Technology Council of Maryland
College Park, Maryland, 1997

DNA Seminar
The Professional Prosecutor Course
Texas District & County Attorneys Association
Kerrville, Texas, 1997

Forensic DNA Analysis
1997 Joint Spring Meeting
The Pennsylvania Society for Clinical Laboratory Science
and The Pennsylvania State Society of American Medical Technologists
Wilkes-Barre, Pennsylvania, 1997

Forensic DNA Analysis in Criminal Cases
Biology Department and Chemistry Department Joint Seminar
St. Louis University
St. Louis, Missouri, 1997

DNA's Achilles Heel: Identical Twins and Two Non-Identical Cases
Multidisciplinary Session
American Academy of Forensic Sciences 49th Annual Meeting
New York, New York, 1997

Forensic DNA Testing and the Courts
The Thurgood Marshall American Inn of Court
Washington, DC, 1997

Forensic DNA Analysis Update
Fall Conference
Mid-Atlantic Association of Forensic Scientists
Gaithersburg, Maryland, 1996

Forensic DNA Analysis
Public Defenders Forensics Seminar
State of West Virginia Public Defender Services
Charleston, West Virginia, 1996

Relevant Issues in DNA Testing
48th Annual Harvard Associates in Police Science Educational Conference
Ocean City, Maryland, 1996

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 15

DNA Update and Evidence Collection
6th Annual Educational Conference and Training Seminar
New England Division of the International Association for Identification
Providence, Rhode Island, 1996

DNA Analysis of Forensic Evidence
Child Protection: Our Responsibility
Interdisciplinary Approaches to Child Abuse Prevention, Investigation and Treatment
St. Luke's Child Protection Center Fall Conference
Cedar Rapids, Iowa, 1996

Forensic DNA Seminar
Office of the Delaware County Prosecuting Attorney
Delaware, Ohio, 1996

Innovations in Forensic DNA Analysis
Creators Session, Entrepreneurs, Innovators, and More
The Futurists Conference of Biomedical Innovations
La Jolla, California, 1996

Recent Advances in DNA and Forensic Science
8th Annual Public Defender Conference
Commonwealth of Virginia Public Defender Commission
Virginia Beach, Virginia, 1996

The Use of DNA in Solving Crime
Spectrum Lecture Series
Montgomery College Biology, Chemistry, and Landscape Technology Departments
Germantown, Maryland, 1996

Forensic DNA Seminar
Office of the District Attorney of Ventura County
Ventura, California, 1996

Forensic DNA Analysis
Howard County Medical Society Meeting
Columbia, Maryland, 1996

Forensic DNA Analysis
Biology Colloquium
Millersville University
Millersville, Pennsylvania, 1996

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 16

Forensic DNA Seminar
Office of the District Attorney of Contra Costa County
Martinez, California, 1996

Forensic DNA Seminar
Office of the District Attorney of Sacramento County
Sacramento, California, 1996

Forensic DNA Analysis
Criminal Law Committee of the Prince George's County Bar Association Annual Seminar
Upper Marlboro, Maryland, 1995

Forensic DNA Analysis: From the Laboratory to the Courtroom
A Symposium on DNA - The Collection, Analysis and Presentation of the Evidence
Virginia Continuing Legal Education of the Virginia Law Foundation
Richmond, Virginia, 1995

Forensic DNA Analysis
DNA Seminar
1995 Pennsylvania Court Reporters Association Annual Convention
Hershey, Pennsylvania, 1995

Forensic DNA Analysis: The Present and the Future
The Futurists Conference of Biotechnology and Biomedical Developments
Los Angeles, California, 1995

DNA Analysis in the Laboratory and the Courtroom
Lecture Series: The Dead Do Tell Tales: Forensic Science and the Solving of Mysteries
Johns Hopkins University School of Continuing Studies
Columbia, Maryland, 1995

Media Relations and Forensic Science
Midwestern Association of Forensic Scientists and
Southern Association of Forensic Scientists Joint Conference
Paducah, Kentucky, 1995

Forensic DNA Update
Life Over Death XIV Conference
Florida Public Defender Association, Inc.
Lake Buena Vista, Florida, 1995

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 17

Forensic DNA Evidence
Annual Summer Conference
Indiana Prosecuting Attorneys Council
French Lick, Indiana, 1995

Forensic DNA Analysis: The Present and the Future
The Futurists Conference of Biotechnology and Biomedical Developments
Irvine, California, 1995

The Forensic DNA Laboratory Role in Criminal Casework
DNA and the Law Symposium
Philadelphia Bar Education Center and
Graduate Center for Education and Training of Thomas Jefferson University
Philadelphia, Pennsylvania, 1995

Everything You Wanted to Know about DNA Testing
Meeting of the Executive Committee of the Criminal Justice Section
Connecticut Bar Association
New Haven, Connecticut, 1995

DNA: The Experts
1995 Capital Case Defense Seminar
California Attorneys for Criminal Justice and California Public Defenders Association
Monterey, California, 1995

How Can DNA Analysis by a Private Laboratory Help Your Case?
DNA Evidence Seminar
Minnesota Institute of Legal Education
Bloomington, Minnesota, 1995

Forensic DNA Analysis
10th Annual Meeting and Seminar
Cuyahoga Criminal Defense Lawyers Association
Cleveland, Ohio, 1994

Contract Options
Armed Forces Institute of Pathology
DNA Databanks and Repositories
St. Paul, Minnesota, 1994

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 18

History of Biotechnology and Forensics
Forensics and Biotechnology Conference
The Virginia Biotechnology Association and MWH MediCorp
Fredericksburg, Virginia, 1994

DNA: Your Silent Eyewitness
32nd Annual Training Seminar
International Association of Women Police
Pittsburgh, Pennsylvania, 1994

DNA Analysis Applied to Forensic Evidence
8th Medicolegal Investigation of Death Seminar
Morgantown, West Virginia, 1993

DNA Testing and Evidence Collection
Law Enforcement Symposium
Monroe County Crime Victims Policy Board and
Office of the Monroe County District Attorney
Stroudsburg, Pennsylvania, 1992

Minisatellite Variant Repeat Mapping: A Digital Approach to DNA Typing
New York State DNA Users Group
Albany, New York, 1992

Seminar on Forensic DNA Testing and Current Status in the Courts
Annual Conference
The County Prosecutors Association of New Jersey
Cape May, New Jersey, 1992

DNA Issues
Criminal Law Section
New Jersey State Bar Association Annual Convention
Atlantic City, New Jersey, 1992

Forensic DNA Analysis
Seminar on DNA Evidence in Criminal Cases
Municipal Police Training Council and
University of New Haven Forensic Sciences Program
West Haven, Connecticut, 1992

Forensic DNA Analysis
2nd Annual Western Kentucky Regional Forensic Science Seminar
Madisonville, Kentucky, 1991

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 19

Forensic DNA Analysis
District Attorney's Office of Chester County
West Chester, Pennsylvania, 1991

DNA Testing and Evidence Collection
Law Enforcement Symposium
Monroe County Crime Victims Policy Board and
Office of the Monroe County District Attorney
Stroudsburg, Pennsylvania, 1991

DNA Analysis in Forensic and Paternity Testing
31st Annual Educational Conference
American Judges Association
Seattle, Washington, 1991

DNA: Proper Collection of Evidence
International Homicide Investigation Seminar
Dublin, Ohio, 1991

DNA Update-Demonstrations and Critiques
1991 Annual Summer Conference
National District Attorneys Association
Tucson, Arizona, 1991

Forensic DNA Analysis
1991 Spring Conference
International Association for Identification - Pennsylvania Division
Erie, Pennsylvania, 1991

Use of DNA Evidence
8th Annual Criminal Law Symposium
Pennsylvania Bar Institute
Harrisburg, Pennsylvania, 1991

DNA Seminar for Law Enforcement
Alaska Peace Officers Association Crime Conference and
Northwest Association of Forensic Scientists Spring Meeting
Anchorage, Alaska, 1991

Forensic DNA Analysis
Atlantic County Prosecutor's Office
Cape May, New Jersey, 1991

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 20

Forensic DNA Analysis
Regional Sex Crimes Meeting
Fairfax County Police Department
Annandale, Virginia, 1991

Forensic DNA Analysis
Council of Governments
Public Safety Policy Board, Training Subcommittee Meeting
Washington, D.C., 1991

Forensic DNA Analysis
1991 Spring Conference
International Association for Identification - Chesapeake Bay Division
Fredericksburg, Virginia, 1991

Forensic DNA Analysis
Private Investigator Program
Investigative Training Institute, Inc.
Linthicum, Maryland, 1991

Forensic DNA Analysis
Maryland State Investigators and Security Association
Baltimore, Maryland, 1991

Forensic DNA Analysis
DNA Regional Information Sharing Conference
Magloclen and Elmira Police
Elmira, New York, 1990

Forensic DNA Analysis
Death Investigation and Identification Advanced Seminar
Nebraska Law Enforcement Training Center
Grand Island, Nebraska, 1990

Identification by Blood Typing and DNA Testing
Seminar in Homicide Investigation
Medical Legal Research and Education Association and Harvard Associates in Police Science
Baltimore, Maryland, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002,
2003

CURRICULUM VITAE
MARK D. STOLOROW

Processing DNA Evidence
DNA Workshop for Law Enforcement
Vance-Granville Community College
Henderson, North Carolina, 1989

Scientific Analysis of DNA Evidence
Conference on DNA and Update on Law Enforcement Programs
Law Enforcement Coordinating Committee, Eastern District of North Carolina
Salemberg, North Carolina, 1989

Establishing Identity through Genetic Technology
Criminal Justice Division and Human Services Division
National Conference of State Legislators
Tulsa, Oklahoma, 1989

Case Studies Involving Scientific Analysis of DNA Evidence
DNA Conference
Law Enforcement Coordinating Committee, Middle District of North Carolina
Greensboro, North Carolina, 1989

DNA Testing in the Forensic Sciences
Western Conference Seminar on Advanced Homicide Investigation
Wichita, Kansas, 1989

Mathematics in Serology
Midwestern Association of Forensic Scientists
Mackinac Island, Michigan, 1987

Management Review of Serology Casework
ASCLD/AAFS Management Seminar
American Academy of Forensic Sciences 39th Annual Meeting
San Diego, California, 1987

Mathematics in Serology
Dade-Metro Department of Public Safety Crime Laboratory
Miami, Florida, 1986

Serological Methods in Forensic Science
American Association of Blood Banks
San Francisco, California, 1986

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 23

Serological Methods in Forensic Science
American Association of Blood Banks
Miami Beach, Florida, 1985

Isoelectric Focusing Workshop
Illinois Department of State Police
Springfield, Illinois, 1985

Advanced Electrophoresis Workshop
Illinois Department of State Police
Springfield, Illinois, 1984

Staining and Extraction Techniques Workshop
Forensic Science Symposium on the Analysis of Sexual Assault Evidence
FBI Forensic Science Research and Training Center
Quantico, Virginia, 1983

Mathematics in Forensic Serology
Advanced Serology Seminar
Institute of Criminal Justice Services Seminar
West Haven, Connecticut, 1983

Quality and Efficiency in Serology Casework
Illinois Department of State Police Training Academy
Springfield, Illinois, 1983

Bloodspatter Interpretation Workshop
Midwestern Association of Forensic Scientists Spring Workshop
Minneapolis, Minnesota, 1983

Saliva in Bitemarks, Seminar on Bitemark Evidence
Odontology Section
American Academy of Forensic Sciences 35th Annual Meeting
Cincinnati, Ohio, 1983

Bloodstain Electrophoresis Training Course
Illinois Department of State Police
Joliet, Illinois, 1983

Collection and Analysis of Physical Evidence from Sexual Assault Victims
Conference on Care of the Sexually Assaulted Client
Illinois Department of Public Health
Champaign, Illinois, 1982

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 24

Advanced Serology Workshop
Illinois Department of State Police Training Academy
Springfield, Illinois, 1982

Biomedical Genetics of ABH, Se, and Lewis Groups in Human Blood and Other Body Fluids
Chicago Police Department Crime Laboratory
Chicago, Illinois, 1982

Bloodspatter Interpretation Training Course
Joliet Police Department and Illinois Department of State Police
Joliet, Illinois, 1982

Role of Forensic Serology in the Prosecution of Child Abuse and Sexually-Abused Child Cases
Illinois State Bar Association Seminar
Champaign, Illinois, 1982

Bloodstain Analysis Practiced in Forensic Science
Aurora Area Blood Bank Training Seminar
Aurora, Illinois, 1982

Direct Examination of the Expert Witness
Trial Advocacy Seminar for Illinois State's Attorneys
Illinois Department of State Police Training Academy
Springfield, Illinois, 1981

Stabhole Interpretation Training Course
Illinois Department of State Police
Joliet, Illinois, 1981, 1982, 1987

Physical Match Examination Training Course
Illinois Department of State Police
Joliet, Illinois, 1981, 1982, 1983, 1985

Cross-Examination of the Expert Witness
Workshop for Defense Lawyers
Loyola University Law School
Chicago, Illinois, 1981

Legal Significance of Physical Evidence in Sexual Assault Cases
Cook County State's Attorney Training Seminar
Chicago, Illinois, 1981

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 25

Secretion Stain Analysis Workshop
Midwestern Association of Forensic Scientists Fall Meeting
Milwaukee, Wisconsin, 1980

Proper Collection Methods and Significance of Physical Evidence from Sexual Assault Victims
Hospital Training Seminars
Citizens Committee for Victim Assistance
(Fourteen cities in Illinois), 1980

Physical Evidence in Sexual Offenses
Seminars on Physical Evidence Collection from Crime Scenes
Southeast Regional Criminal Justice Training Center
Ann Arbor, Michigan, 1975, 1976, 1977

Bloodstain Analysis Workshop
Midwestern Association of Forensic Scientists Spring Meeting
Lansing, Michigan, 1973

CURRICULUM VITAE
MARK D. STOLOROW

ACHIEVEMENTS AND HONORS:

Panelist, Science in the Courtroom, The American Trial: Issues for the 21st Century, The Smithsonian Associates Fall Lecture Series, The Smithsonian Institution, Washington, D.C., 1997

Member, Criminalistics Program Committee, American Academy of Forensic Sciences 49th Annual Meeting, 1996

Book Reviewer, Journal of Identification, 1996

Program Chairman, Human Identity Trade Association Meeting, convened at The 5th International Symposium on Human Identification, Scottsdale, Arizona, 1994

Member, Test Review Panel, American Board of Criminalistics, 1994

Member, Audit Committee, American Academy of Forensic Sciences, 1993-1995

Member, Policy Committee, Human Identification Trade Association, 1992-1995

Member, National Advisory Committee, National Evidence Collection Project for Victims of Sexual Assault, U.S. Department of Justice, Office of Justice Programs, 1985-1986

Commendation Award, Midwestern Association of Forensic Sciences, 1984

Service Award, Illinois Department of State Police, Bureau of Forensic Sciences, 1984

Commendation Award, Illinois Department of State Police, Bureau of Forensic Sciences, 1983

Member, Organizing Committee, Forensic Science Symposium on the Analysis of Sexual Assault Evidence, Dade-Metro Department of Public Safety and FBI Forensic Science Research and Training Center Joint Symposium, 1983

Member, Research Advisory Team, University of Colorado Department of Environmental, Population, and Organismic Biology, US DOJ/NIJ Grant, 1983-1984

Member, Peer Review Committee, American Society of Crime Laboratories Directors Operations and Program Committee, 1983-1986

Service Award, International Association for Identification, 1982

Chairman, Nomenclature Subcommittee, Committee on Forensic Hair Comparison, 1982-1983

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 27

Reviewer, Unsolicited Research Proposals, Forensic Science Category, United States Department of Justice, National Institute of Justice, 1981-1988

Commendation Award, Illinois Department of State Police, Bureau of Forensic Sciences, 1981

Service Award, Midwestern Association of Forensic Scientists, 1980

Member, Training and Education Committee, Midwestern Association of Forensic Scientists, 1980-1984

Reviewer/Editor, Audio-Visual Training Series for Treatment of Sexual Assault Victims and Collection of Physical Evidence, Citizens Committee for Victim Assistance, 1980-1981

Member, National Forensic Serology Certification Committee, American Academy of Forensic Sciences Criminalistics Certification Study Committee, 1979-1980

Reviewer/Contributor, Abstracts for the Journal of Police Science and Administration, 1979-1982

Chairman, Serology Peer Committee, Midwestern Association of Forensic Scientists, 1979-1982

Program Chairman, Midwestern Association of Forensic Scientists Spring Meeting, 1978

Service Award, Alpena Police Department, Alpena, Michigan, 1978

Executive Board Member-at-Large, Midwestern Association of Forensic Scientists, 1978-1980

Commendation Award, Michigan Department of State Police Forensic Science Laboratory, 1978

Member, The Honor Society of Phi Kappa Phi, 1974

Panel Moderator, 1974 to present:

- International Congress of Forensic Haemogenetics
- American Academy of Forensic Sciences Annual Meetings
- Midwestern Association of Forensic Scientists Meetings
- Canadian Society of Forensic Science Annual Meeting
- Association of Official Analytical Chemists Midwest Regional Meeting
- FBI Forensic Science Research and Training Center Symposia

Panel Member, various Forensic Science Professional Organization Conferences, 1974 to present

Member, Phi Lambda Upsilon, National Chemistry Honorary Society, 1971

Recipient, University of Pittsburgh Forensic Chemistry Fellowship Award, 1970-1971

EXPERT TESTIMONY:

Testified in more than 120 criminal proceedings in various types of municipal, county, state, and federal courts, parole boards, grand jury proceedings and in hearings before state boards of registry, state legislative committees, and other government committees.

Testimony given in criminal courts in the following states:

California, Illinois, Iowa, Kansas, Maryland, Massachusetts, Michigan, Minnesota, Missouri, New Jersey, Ohio, South Carolina, South Dakota, Virginia and West Virginia

ABSTRACTS AND PAPERS PRESENTED:

Forensic Arts and Sciences - From the Laboratory to the Courtroom, presented at the Multidisciplinary Session of the Criminalistics and Jurisprudence Sections, American Academy of Forensic Sciences 48th Annual Meeting, Nashville, Tennessee, 1996.

Proficiency Testing and DNA Profiling, poster, presented at the American Academy of Forensic Sciences 46th Annual Meeting, San Antonio, Texas, 1994.

Forensic DNA Analysis, presented at the Multidisciplinary Symposium for Law Enforcement Officers, American Academy of Forensic Sciences 46th Annual Meeting, San Antonio, Texas, 1994.

Forensic DNA Analysis, presented at the Multidisciplinary Symposium for Law Enforcement Officers, American Academy of Forensic Sciences 45th Annual Meeting, Boston, Massachusetts, 1993.

Minisatellite Variant Repeat Analysis, presented at the Northeastern Association of Forensic Scientists 18th Annual Meeting, Atlantic City, New Jersey, 1992.

Status of Forensic DNA Admissibility in Court, presented at the Midwestern Association of Forensic Scientists 20th Annual Meeting, Kansas City, Missouri, 1991.

DNA Evidence: Collection, Preservation, Analysis, and Case Histories, presented at the International Association for Identification 76th Annual Educational Conference, St. Louis, Missouri, 1991.

Recent Significant Court Cases Involving the Admissibility of Forensic DNA Analysis, presented at the Southern Association of Forensic Scientists, Spring Meeting, Nashville, Tennessee, 1991.

DNA Amplification and Typing from Aged Biological Evidence, poster presentation at An International Symposium on the Forensic Aspects of DNA Analysis, FBI Forensic Science Research and Training Center, Quantico, Virginia, 1989.

Decision-Making in Analysis of Evidentiary Bloodstains: Maximizing Information While Minimizing Risk, presented at the American Society of Criminology 40th Annual Conference, Chicago, Illinois, 1988.

Meandering Over Fractal Surfaces: Physical Matching in Criminalistics, presented (by co-author) at the American Academy of Forensic Sciences 40th Annual Meeting, Philadelphia, Pennsylvania, 1988.

Management Review of Serology Casework, presented at Critical and Emerging Issues in Forensic Serology, Sacramento, California, 1987.

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 32

Ethics of the Forensic Scientist Protecting the Rights of Others (Criminalistics Section Representative), presented at the American Academy of Forensic Sciences 38th Annual Meeting, New Orleans, Louisiana, 1986.

The Use of Ultrathin-Layer Agarose Gels for Phenotyping Erythrocyte Acid Phosphatase by Isoelectric Focusing, presented (by co-author) at the Midwestern Association of Forensic Scientists Fall Meeting, Indianapolis, Indiana, 1985.

Serological Methods in Forensic Science: From Crime Scene to Laboratory, presented at the American Association of Blood Banks Annual Meeting, Miami Beach, Florida, 1985.

And presented at the American Association of Blood Banks Annual Meeting, San Francisco, California, 1986.

Extending the Detectability of Phosphoglucomutase in Old Bloodstains and Seminal Stains by Immunofixation: A Preliminary Report, presented at the American Academy of Forensic Sciences 37th Annual Meeting, Las Vegas, Nevada, 1985.

Presented at the 11th International Congress of Forensic Haemogenetics, Copenhagen, Denmark, 1985.

And presented at the Midwestern Association of Forensic Scientists Fall Meeting, Indianapolis, Indiana, 1985.

Detectability of Group-Specific Component (Gc) in Aged Bloodstains Using Secondary Immunofixation Technique, presented (by co-author) at the International Symposium on the Forensic Applications of Electrophoresis, Quantico, Virginia, 1984.

And presented (by co-author) at the American Academy of Forensic Sciences 37th Annual Meeting, Las Vegas, Nevada, 1985.

Electrophoresis on Trial: Recent Court Opinions Regarding the Admissibility of Electrophoresis Results from the Analysis of Bloodstain Evidence presented at the International Symposium on the Forensic Applications of Electrophoresis, Quantico, Virginia, 1984.

Presented (in absentia) at the Midwestern Association of Forensic Scientists Fall Meeting, Des Moines, Iowa, 1984.

And presented at the American Academy of Forensic Sciences 36th Annual Meeting, Las Vegas, Nevada, 1985.

CURRICULUM VITAE

PAGE 33

Development of a Radial Gel Diffusion Technique for the Identification of Urea in Urine Stains, presented (by co-author) at the American Academy of Forensic Sciences 36th Annual Meeting, Anaheim, California, 1984.

Recent Advances in Forensic Analysis of Bloodstain Evidence, presented at the Illinois State's Attorneys Association Meeting, Chicago, Illinois, 1983.

Development of a Radial Gel Diffusion Technique for the Identification of Urine Stains, presented (by co-author) at the Forensic Science Symposium on the Analysis of Sexual Assault Evidence, FBI Forensic Science Research and Training Center, Quantico, Virginia, 1983.

The Truth Concerning the Female Ejaculate, presented (by co-author) at the Forensic Science Symposium on the Analysis of Sexual Assault Evidence, FBI Forensic Science Research and Training Center, Quantico, Virginia, 1983.

Statewide Program of Sexual Assault Evidence Collection in Illinois, presented at the American Academy of Forensic Sciences 35th Annual Meeting, Cincinnati, Ohio, 1983.

Saliva in Bitemarks, presented at the American Academy of Forensic Sciences 35th Annual Meeting, Cincinnati, Ohio, 1983.

Erythrocyte Acid Phosphatase in Human Hair Root Sheaths, presented at the American Academy of Forensic Sciences 35th Annual Meeting, Cincinnati, Ohio, 1983.

Attempts at Lewis Phenotyping of Dried Bloodstains, presented (by co-author) at the American Academy of Forensic Sciences 35th Annual Meeting, Cincinnati, Ohio, 1983.

And presented (by co-author) at the Midwestern Association of Forensic Scientists Fall Meeting, Chicago, Illinois, 1982.

Microscopy Utilized in Forensic Serology, presented at Inter/Micro '82, Chicago, Illinois, 1982.

Alternative Non-Barbital Buffer for Seminal Acid Phosphatase Electrophoresis, presented by co-author at the Midwestern Association of Forensic Scientists Spring Meeting, St. Louis, Missouri, 1982.

Presentation of Forensic Serology Findings in Court, presented at the Midwestern Association of Forensic Scientists Spring Meeting, St. Louis, Missouri, 1982.

Bloodspatter Interpretation at Crime Scenes, presented at International Association for Identification - Illinois Division Meeting, Joliet, Illinois, 1982.

Role of the Forensic Serology Expert as a Rebuttal Witness, presented at the Kansas County and District Attorneys Association - 1982 Attorney General's Call, Topeka, Kansas, 1982.

CURRICULUM VITAE
MARK D. STOLOROW
PAGE 34

Functions of a Forensic Science Training and Applications Laboratory, presented at the American Chemical Society - Joliet, Illinois Section Meeting, New Lenox, Illinois, 1982.

Forensic Serology: A Formal Training Program in the Illinois Department of State Police, presented at the Northwestern Association of Forensic Scientists and California Association of Criminalists Joint Conference, Lake Tahoe, Nevada, 1981.

The Lewis Blood Group System: Relationship to Se and H in View of Recent Findings in the Biosynthetic Pathway, presented at the Northwestern Association of Forensic Scientists and California Association of Criminalists Joint Conference, Lake Tahoe, Nevada, 1981.

Presented at the Midwestern Association of Forensic Scientists, Mid-Atlantic Association of Forensic Scientists, Northeastern Association of Forensic Scientists, and Southern Association of Forensic Scientists Joint Conference, Louisville, Kentucky, 1980.

And presented at the Canadian Society of Forensic Science Annual Meeting, Hamilton, Ontario, 1981.

Historical Development of Multisystem Approaches to Electrophoretic Analysis of Bloodstains, presented at the Canadian Society of Forensic Science Annual Meeting, Hamilton, Ontario, 1981.

Potential of Modern Forensic Serology Techniques in Analysis of Bloodstain Evidence, presented at the Illinois State's Attorneys Association Meeting, Chicago, Illinois, 1980.

Review of the Development of Multisystem Approaches to Electrophoretic Analysis of Bloodstains, presented at the Midwestern Association of Forensic Scientists Fall Meeting, Springfield, Illinois, 1979.

And presented at the Canadian Society of Forensic Science Annual Meeting, Montreal, Quebec, 1979.

Population Frequency of Sixteen Blood Genetic Markers of Forensic Interest in the Greater Detroit Metropolitan Area, presented at the American Academy of Forensic Sciences 31st Annual Meeting, Atlanta, Georgia, 1979.

Population Frequency Distribution of Erythrocyte Glyoxalase I Utilizing a New Method of Combined Starch-Agarose Gel Electrophoresis, presented at the Midwestern Association of Forensic Scientists Fall Meeting, Chicago, Illinois, 1978.

And presented at the International Association of Forensic Sciences Conference, Wichita, Kansas, 1978.
